

# ELECTRIC AVIATION

# THE FAIR WAY OF TRAVELLING FOR THE KVARKEN REGION

A very warm welcome to a **FAIR WEBINAR** where we can meet and share knowledge in the FAIR Project Competence Network. Today we are listening to **HEART AEROSPACE** on the topic of **TECHNICAL DEVELOPMENT OF ELECTRIC AVIATION**.

**Register here**

Last day to register 27/11

PROGRAM WEBINAR DECEMBER 1ST 8:30-10:00 CET

**08.30-08.35 WELCOME AND INTRODUCTION BY MODERATOR**

*- Jeroen Peeters, Ph.D. Senior Design Researcher RISE Research Institutes of Sweden*

**08.35-09.05 THE TECHNICAL DEVELOPMENT OF ELECTRIC AVIATION AND MORE ABOUT THE MISSION TO CREATE THE FASTEST, MOST AFFORDABLE AND SUSTAINABLE TRANSPORTATION FOR REGIONAL TRAVEL TO EVERY CORNER OF THE WORLD**

*- Anders Forslund, CEO Heart Aerospace*

**09.05-09.55 QUESTIONS AND DIALOGUE WITH INVITEES**

**09.55-10.00 MODERATORS' PREROGATIVE**

*The seminar will be recorded and posted in project channels. A Teams link to the webinar will be emailed to participants by shortly before the webinar. For more information about the webinar email Carita Roslund (carita.roslund@ri.se). We'll continuously establish the contents for upcoming seminars, so please feel free to propose any lecturers or points for discussion.*
